Who came through with two glocks to terrorize your
borough (Huh?)
Told you how to slap dips and murder your girl (I did)
Gave you all the finger and told you to sit and twirl
Sold a billion tapes and still screamed fuck the world
(Slim Shady), so come and kill me while my name's hot
And shoot me twenty five times in the same spot (Ow)
Think I've got a generation brainwashed
To pop pills and smoke pot till they brains rot (Uh, oh?)
Stop they blood flow until they veins clot
I need a pain shot, and a shot of plain scotch
Purple haze and acid raindrops
Spike the punch at the party and drain pop (gulp gulp)
Shaved my armpits and wore a tank top
Bad Boy, I told you that I can't stop
Gotta make 'em fear you before you make 'em feel you
So everybody buy my shit or I'mma come and kill you

I got mushrooms, I got acid, I got tabs and aspirin
tablets
I'm your brother when you need some new weed to set
you free
You know me I'm your friend when you need a minithin
(Slim Shady)
I'm Shady

I like happy things, I'm really calm and peaceful (Uh
huh huh)
I like birds, bees, I like people
I like funny things that make me happy and gleeful
Like when my teacher sucked my wee-wee in preschool
(Woo!)
The ill type, I stab myself with a steel spike
While I blow my brain out just to see what it feels like
And this is how I am in real life
I don't want to just die a normal death, I wanna be
killed twice (Uh huh)
How you wanna scare somebody with a gun threat
When they're high off of drugs they haven't even done
yet
So bring the money by tonight

Cause your wife says this is the biggest knife
She ever saw in her life (Help me help me)
I try to keep it positive and play it cool
Shoot up the playground and tell the kids to stay in
school (Stay in school!)
Cause I'm the one they can relate to and look up to
better
Tonight I think I'll write my biggest fan a fuck you letter

(chorus)

I listen to your demo tape and act like I don't like it (Aw
that shit is wack)
Six months later you hear your lyrics on my shit
(What????)
People don't buy shit no more they just dub it
That's why I'm still broke and had the number one club
hit (Yup, uh huh)
But they love it when you make your business public
So fuck it, I've got herpes while we're on the subject (Uh
huh)
And if I told you I had AIDS y'all would play it
Cause you stupid motherfuckers think I'm playing when
I say it
Well, I do take pills, don't do speed
Don't do crack, don't do coke, I do smoke weed
Don't do smack, I do do shrooms
Do drink beer, I just wanna make a few things clear
My baby mama's not dead (nuh uh), she's still alive and
bitching (yup)
And I don't have herpes, my dick's just itching
It's not syphilis, and as for being AIDS infested
I don't know yet, I'm too scared to get tested

(chorus)

I told you I was Shady

Y'all didn't wanna believe me

I'm Shady

And that's my name
