came in the bank with a tank, fired a blank
at the clerk & handcuffed her ankles at the
safe and thanked her, but i didnt take nothin
every bullet came from the same gun
just from different angles, cuz i was pickin strange
places to aim from

(Eminem)

I got a beautiful wife, kids and a gorgeous home
what would make jump in the tub with a cordless phone
im straight viscious i hit u with plates & dishes
leave u 8 stitches, what im gay cuz i hate bitches?
slut, dont be nice to me, ive had it with girls
and id still be mad at the world, even if it apoligized to
me
youre hearin the last thoughts of a man about to blow
his fuckin brains out
fall back with a blood stained blouse on top of his
spouse
spread out on a blood stained couch
in front of his kids that he just killed in the same house
im sicker than Boy George picturin Michael Jackson
in a little boys drawer shoppin at toy stores
