yo look this is my aint shit
I don't believing in rain shit
but I got my rips cuz this is my first hit
I sore and score the top tens
my multi platinum cd's don't even speaking some
spanish
I got my range to be having a change young old to be
cold
eating in my lunch time im so big to be grow
im holding my dick sorry girls I can not him to show
you have one life do not miss to change to blow
my little friends are playing in the snow i just don't do
in it
fuck man im so cold shit man im so mad cuz I hate
school
I just wan't it never so bad im tired and sick
I wanna lying in my bed but I come late I hate this
grade
fired from ooohhh shit why I am so affraid why I just
don't doing it
I have to straight to be a slave bitch hold my case
here is your money and now go away i don't wanna
fuck
maybe im stuck my crap shit out I don't feeling no rush
ooke here bitch here is my shot and now you dong it
and come back the next week and you swallow it
up(come on)
