Well Jimmy Moved in with his mother
'Cos he aint got no place to go
And now I'm right back in the gutter
With a garbage bag thats full of clothes
'Coz you live at home in a trailer
What the hell you gonna do?
'coz i live at home in a trailer
mom i'm comin home to you

Well my name is Jimmy
His names Greg Bewel
Me him and you we went to the same school,
This aint cool
I'm in a rage

He's tappin my mom n we almost the same age
On the microphone i drop bombs
Look at this car thanx alot mum
Here happy birthday rabbit
Heres a brand new car you can have it
A nine-teen twenty-eight Delta
This shit wont even get me 2 tha shelter!
And i cant even say im from mo-town 'cause
Im back in the 810 now

'Coz i live at home in a trailer mum im cumming home
to you!
