[Intro]

Ayo Before I start this song man  
I just want to thank everybody for being so patient  
And baring with me over these last couple of years  
While I figure this out

[Chorus - Kobe]

Is anybody out there?  
It feels like Iâ€™m talkin to myself  
No one seems to know my struggle  
And everything I come from  
Can anybody hear me?  
It guess I keep talkin to myself  
It feels like Iâ€™m going insane  
Am I the one whose crazy?

Yeayah  
Woah wah  
Woah wah (oh oh oh oh oh)  
Woah wah  
Woah wah (oh oh oh oh oh oh oh oh)

[Bridge - Eminem]

So why in the world do I feel so alone  
Nobody but me, Iâ€™m on my own  
Is there anyone out there  
Who feels the way I feel  
That there is then let me in and let me know Iâ€™m not  
the only one(?)

[Eminem]

I went away I guess to open up some lanes  
But there was no one who even knew what I was going  
through  
Hatred was flowing through my veins  
On the verge of going insane  
I almost made a song dissin Lil Wayne  
Itâ€™s like I was jealous of him cause the attention he  
was gettinâ€™  
I felt horrible about myself  
He was spittin and I wasnâ€™t  
Anyone who was buzzin back then coulda got it

Almost went at Kanye too  
God it feels like Iâ€™m goinâ€™ psychotic  
Thank god that I didnâ€™t do it  
I would of had it handed to me  
And I knew it but proof wasnâ€™t here to see me through  
it  
Iâ€™m in the booth poppin another pill tryna talk myself  
into it  
Are you stupid? You gonâ€™ start dissin people for no  
reason?  
Especially when you canâ€™t even write a decent  
punchline even  
Youâ€™re lying to yourself, youâ€™re slowly dying, youâ€™re  
denying  
Your health is declinging with your self esteem,  
youâ€™re crying out for help

[Chorus - Kobe]

[Bridge - Eminem]

[Eminem]

Marshall youâ€™re no longer the man, thatâ€™s a bit of a  
pill to swallow

All I know is some wallowin(?), self-loathing and hollow  
Bottoms up of pill bottle maybe Iâ€™ll hit my bottom  
tomorrow

But I must be talkin to the wall though  
I donâ€™t see nobody else ( I guess I keep talkin to  
myself)  
But all these other rappers suck is all that I know  
Iâ€™ve turned into a hater, Iâ€™ve put up a false  
mavado(?)

But Marshall is not a egomaniac thatâ€™s not his motto  
HEâ€™s not a desperado heâ€™s desperate itâ€™s startin to  
bottle inside em  
One foot on the brake one on the throttle  
Fallin asleep with writers block in the parking lot of  
mcdonalds  
But instead of feeling sorry for yourself do something  
about it  
Admit you got a problem you brain is clouded you  
pouted long enough  
It isnâ€™t them itâ€™s you you baby  
Quit worrying about what they do and do slim shady  
Iâ€™m really going crazy

[Chorus - Kobe]

[Bridge - Eminem]

[Eminem]

So I pick up myself off the ground and slam before I  
drown

Hit my bottom so hard I bounce twice suffice this time  
around

It's different them last two albums didn't count  
Encore I was on drugs, Relapse I was flushing em out  
I've come up to make it up to you no more messing  
around

I've got something to prove to fans I feel like I let em  
down

So please accept my apology I finally feel like I'm  
back to normal

Let me formally reintroduce myself to you for those of  
you who don't know

The new mes back to the old me and homie I don't  
show no

Signs of slowin up, pullin up, blowin up, all over no  
more

My life is no longer a movie but the shows aint over my  
bros

I'm back with a vengeance homie weezy keep ya head  
up

TI keep ya head up, Kanye keep ya head up

Don't let up, keep slayin em

Rest in Peace to DJ AM

Cause I know what it's like

I struggle with this every single day

[Chorus - Kobe]

[Bridge - Eminem]
