Artist: Sway & Tech w/ DJ Revolution (The Wake Up Show) f/ Chino XL,
Eminem, Jayo Felony, Kool G Rap, KRS-One, Pharoahe Monch,
RZA, TechN9ne, and Xzibit
[King Tech]
One two, one two
We dedicate this one to the hip-hop culture y'all
Brought to you by the WOOOORRRLLLD FAMOUS Wake-Up Show!

[RZA]
Bobby Steels, Staple' tails, MC's get your lips stapled
Project Killa Hill is stamped on the map like the compass
Sacred sword play tongue-twist, piercin holes in you
You can't escape, 70,000 kilowatts blast through your box
Woke wit alarm clocks, cars drivin slow down the block
One stopped, parks pops his trunk
Snare pops loud as glock shots
Bass like an M-80 in your face, cops stop, give us citation
We pause for radio station identification
WAKE UP WAKE UP WAKE UP!

[Tech N9NE]
When I Woke-Up, I got the mic and never chocked up
Busted a verse and all the G's in Cali loc'ed up when I was summoned
Styles were mixed like the Drummonds, Killer Clown is comin
Look around, your town is crumblin
This Big Tech from the midwest, leavin MC's lipless
On The Wake-Up Show, make up no, stories about my shake-up flow
Put me off in a cipher? Potna, you can't fuck wit the sniper
Your flow's premature, clean your dirt diaper
Mic heister, psycho, alpha-schizo
Hypno, chryo-gat flow, guru and ain't nobody tighter
Sway & Tech heard me flow and it's sealed

Now I got Swedish women yelling "Tech N9NE's vild"

[Eminem]

This place is my house, I might as well erase my face
wit white-out
Cuz y'all can't see me like Mase's eyebrows (where you
at?)
Climped out of a nice house,
Through the front window and heard this guy shout
"Hey that's my couch, bitch!"
Pull a nine out during a rhyme bout
While I'm rippin this shit, put a clip in it spit five rounds
And murder you hoes worse than a convertible flippin
vertical
Nose first wit the top off landin upside-down
You're tied down and duct-taped, fuck rape
I'd rather just hump a slut's leg wit my nuts shaved
And Sway & Tech, two disk jokeys
Breakin so many friggin needles I wonder if they inject

[Xzibit]

Lo and behold, better than platinum or gold
Yes God bless success, never forsake your soul
Xzibit take control, locked loaded and ready to roll
Play the upper hand, a man that's never gon' fold
Cuz your tape sucks, find a new hobby that you can
take up
Or listen to my niggas Tech & Sway so you can Wake-
Up
The X-man, catch me doin drills in the Danger Room
Big game hunting, from high-noon to the full moon

[Pharoahe Monch]

Wit synonyms, I get an adrenaline rush
From minimum thrusts, bust multiple assualts in small
interims
As horrid as Borris Kolaf was
When I cut your neck, leave a little piece of flesh
So the head won't fall off, hauled-off
Sawed-off shotgun blast, he asked
Why did he have to die like cast metal?
O, huh, C now like Omar Credle
We pone pedal at a high resolution
On the Wake-Up Show wit Sway, Tech and DJ Revolution

DJ Revolution scratches

[Kool G Rap]

I sway the tech wit the Tech and Sway
Step away, wet and spray, rep the day
Who over debt to pay get swept away

Across the whole board like checker play
When I blaze your whole sect' arrays
Wake-Up Show for those slept away
Niggas that the trey, hit the deck and pray
DJ Revolution, spinnin like lead from out the heck-AK
Tearin your neck away, flood up the street wit bloody
decora'
Until the head of jake investigate

[Jayo Felony]

What? Sway can give it to you, but Whatcha Gon' Do wit
it
Tech can give it to you, but Whatcha Gon' Do?
Rev can give it to you, but Whatcha Gon' Do wit it
I can give it to you, Wha Wha Wha What What!

[Chino XL]

Yo yo Chino makes the world go 'round
Fuckin up entire record companies like Harrel did to
Motown
Vominous talk, poison pen, hominous walk
What flow will I destroy wit this time, the most
commonest thought
The drama that's brought, caught us in a midst of
sibling rivalry
For instance, there's nothing in existence that can
survive wit me
Clone me like sheep, I clean house like Tony Rand-all
Wit style filed for sexual harrassment like Tisha Camp-
bell
You're wack like Will Smith, your rhyme style is pansy
I fuckin murder your young style like JonBenet Ramsey
Now who the master to beg? Your demo gets passed
on the reg'
You shouldn't have been signed if you had a white cast
on your leg
I'm Wake-Up Show reppin wit Sway & Tech
My tec's like Tekken, the industry weapon
I'm Chino X, bring KRS in

[KRS-One]

De de de de de da di day, KRS-One comin wit the
Tech & Sway
Yo, I rock up the littlest set, and on the biggest set
As I'll as it gets I still manage to wiggle your neck wit
sweat
Never forget, the bigger the budget the bigger the
debt
You gotta be willin to rock in the middle of dry and in
the middle of wet
But I'm willin to bet, on a Sway & a Tech

They stay in effect, never been a pain in the neck, they
gainin respect
Nevertheless I WRECK YOU, now you know what Sway &
Tech do
I'll be back but for now just sackle!
FRESH, FOR NINETY-NINE YOU SUCKAS!!!
