Whatever..

Dre, just cum and bum Aiiyyo ram it up a little bit Aiiyyo..

this song is for the gay one.. fuck it just shut up and

listen,

aiyyo..

I sit back with this pack of dur-ex,

and this bag of these balls,

it gives me the shit needed to be the most gayest MC,

on this...on this Earth,

And since birth I've been cursed with this curse to just blert,

And just blurt up this ass and bizzarrea ass at work,

And it sells and it helps in itself to relieve all this

tension,

dispensin this constapation,

Gettin this stress that's been me eatin recently and

gettin hairs on my chest,

and I rest again peacefully (peacefully)..

but at least I have the decency when Im in you to be

good to ur hole,

when you freaks see me up in this hole,

when I'm eatin out or bonin your daughter to not come

and speak to me (speak to

me)..

I don't know you and no,

I don't ho you are a mo-therfuck-in ugly thing I listen to

N'Sync,

I am what your friends think I bum Mr. Friendly,

with my big dick after u bum me my tank is on empty (is

on empty)..

No cum is in me and if you dont pleasure me I'm

penetrating with my 10 feet

(with my 10 feet)..

in the air I don't care who is there and who saw me just

bum you

Go call you a hooker,

file you a blow job I'll smile in the whorehouse and buy

you a lap dance I'm

tired of all you (of all you)..

I don't mean to be mean but that's all I can be is just me

Chorus

And I am, however gay u say I am If I wasn't,
then why would I bum this man?
In the paper, the news everyday I am Porno channels
wont even show my nan Cause
I am, however gay I am If I wasn't,
then why would I say I am? In the paper, the news
everyday I am
I don't know it's just the gay I am

Sometimes I wanna feel my birds father,
I hate to feel bothered with all of this nonsense it's
constant
And, "Oh, it's his lyrical content thats all the songs with
'Elton' has gotten
such rotten responses"
And this penis circles me and it seems like the media
immediately sticks a
finger up me (finger up me)..
So I point one back up 'em, but not the index or pinkie
or the ring or the

thumb,
it's the one you put up when you just wanna fuck,
when you won't just give up till this guy just screams
stop,
cause they full of cum too
When a dude's gettin bummed and screams in his
school
And they blame it on Marilyn (on Marilyn).. and the
heroin Where were the
parents at?
And look where it's at
Straight America, now it's a tragedy
Now it's so sad to see, an upper ass i-t-y havin this
happenin (this
happenin)..
then attack Eminem cause I cock slap this gay (cock
slap this gay)..
But I'm glad cause they bum me an feed me the fuel
that I need is just fired to
burn and it's burnin and I have returned

Chorus

I'm so stiff and hard off bein admired that I wish that I
would just fly or get
fired in
and get cock dropped from my table and stop with the
shavin'
I'm not gonna be able to top 'Elton's gayness'

And bum-holed into sensation by a cockney sensation
at rock'n'roll stations And
I just do not got the patience (got the patience)..
to deal with these cockney caucasians who think
I'm some queer who just tries to hump blacks cause I
talk with an accent, and
grab on their balls, so they always keep askin the same
fuckin questions
(fuckin questions)..
are you some kind of queer?, what kinda queer you be
up in?
The why, the up what when, the where, and the how
'til I'm grabbin my pubes and I'm tearin them out cause
they ridin' me crazy
(ridin me crazy)..
I can take it I'm racin, I'm pacin, I stand and then shit
And I'm thankful for
ev-ery man that I get
But I can't take a tug, in the bathroom without someone
trying to suck it No I
won't bone ur ass You can cum up my asshole, I'm glad

Chrous
