I told the world one day I would pay it back  
Say it on tape, and lay it, record it so that one day I  
could play it back

They ask me am I okay, they ask me if I'm happy  
Are they asking me that because of the shit that's been  
thrown at me

This is a beat with no words at first, it's a blank painting  
Exercising the mind, it's brain strength training

My motto is live by the bottle  
So why is my supply low? Bring in a truckload with a  
high-low

My name is Chauncey Billups, I'm kind of like a raunchy  
Phillips  
Screwdriver, my crew's live when you can't sleep and  
you're still up

I came in this game with, bad intentions  
And I ain't budged, not even an inch since then

Lava on my lips I flips, wake up think I have a cramp  
I'm trying to shove the lava lamp up my father's ass

Got my self esteem back, got my confidence up  
I'm gonna step up on this stage now, I'm gonna strut

Shady man, I done told you once homie to easy up  
But you just won't listen will ya? Nah, I guess not
