yo i keep m luv snug bruv  
but im white, so i dont know no thug luv  
but what you do find is thugs luv then 2time  
its a truecrime but most do it  
like should i or should'nt i arrr screw it  
then when she finds out your cheating  
she gives you a raw beating for leaving  
and not luvin  
then shit gets heated hotter than a hot oven  
cos you've broken bonds  
kissed others with open tongs  
being disloyal  
like whats been planted in this soil  
but this is all i've herd  
how they cheat and end up dead from their bird  
so if you blare a word of cheating

you havent put one foot in  
you've stook both feet in  
then you start watching your back from day one  
like you got your clothes the wrong way on  
but as i say  
i dont know no thug luv and im not one like  
goldie[ahah]  
so were did i get this shit from?  
a little birbie told me
