[Intro:]

Cause sometimes you just feel tired.
You feel weak and when you feel weak you feel like you
wanna just give up.
But you gotta search within you, you gotta find that
inner strength
and just pull that shit out of you and get that motivation
to not give up
and not be a quitter, no matter how bad you wanna just
fall flat on your face and collapse.

[B/W Intro:]

Go left, go left, go left right left
Go left, go left, go left right left
Go left, go left, go left right left
Go left, go left, go left right left

[Verse #1:]

Till I collapse Im spilling these raps long as you feel em
Till the day that I drop youll never say that Im not killing
them
Cause when I am not then I am stop pinning them
And I am not hip-hop and Im just not Eminem.
Subliminal thoughts when Im stop sending them
women are caught in webs spin and hawk venom
Adrenaline shots of penicillin could not get the illing to
stop. Amoxicilin is just not real
enough.
The criminal cop killing hip-hop filling minimal swap to
cop millions of Pac listeners.
Your coming with me, feel it or not youre gonna fear it
like I showed you the spirit of god
lives in us.
You hear it a lot, lyrics the shock is it a miracle or am I
just a product of pop fizzing up.
For shizzle my whizzle this is the plot listen up you
bizzles forgot slizzle does not give a
fuck.

[Chorus - NateDogg]

Till the roof comes off, till the lights go out

Till my legs give out, cant shut my mouth.
Till the smoke clears out and my high wear out
Ima rip this shit till my bone collapse.
Till the roof comes off, till the lights go out
Till my legs give out, cant shut my mouth.
Till the smoke clears out and my high wear out
Ima rip this shit till my bone collapse.

[Verse #2:]

Music is like magic theres a certain feeling you get
when your real
and you spit and people are feeling your shit.
This is your moment and every single minute you
spend trying to hold onto it
cause you may never get it again.
So while youre in it try to get as much shit as you can
and when your run is over just admit when its at its end.
Cause Im at the end of my wits with half this shit that
gets in.
I got a list heres the order of my list that its in.
It goes, Reggie, Jay-Z, Tupac and Biggie, Andre from
Outcast, Jada, Kurupt,
Nas and then me. But in this industry Im the cause of a
lot of envy,
so when Im not put on this list the shit does not offend
me.
Thats why you see me walk around like nothings
bothering me.
Even though half you people got a fucken problem with
me.
You hate it but you know respect youve got to give me
The press's wet dream like Bobby and Whitney. Nate hit
me.

[Chorus - NateDogg]

[Verse #3:]

Soon as a verse starts I eat it at MCs heart
what is he thinking? I'ma not to go against me, smart.
And its absurd how people hang on every word.
Ill probably never get the props I feel I ever deserve
But Ill never be served my spot is forever reserved
If I ever leave earth that would be the death of me first.
Cause in my heart of hearts I know nothing could ever
be worse.
Thats why Im clever when I put together every verse
My thoughts are sporadic, I act like Im an addict
I rap like Im addicted to smack like Im Kim Mathers.
But I dont want to go forth and back in constant battles
The fact is I would rather sit back and bump some
rappers.

So this is like a full blown attack Im launching at them
The track is on some battling raps who want some
static
Cause I dont really think that the fact that Im Slim
matters
A plaque of platinum status is whack if Im not the
baddest.

[Chorus - NateDogg]

[Outro:]

[Eminem & Natedogg Echo:]

Until the roof
The roof comes off
Until my legs
give out form underneath me

[Eminem:]

I will not fall,
I will stand tall,
Feels like no one could beat me.
