(background) yo left, yo left, yo left, right, left  
sometimes you just feel tired  
you feel weak  
and when you feel weak  
you feel like you wanna just give up  
but you gotta search within you  
try find that inner strength  
just pull that shit outta you  
ang get that motivation to not give up  
and not be a quitter no matter how bad you  
wanna just fall flat on your face and collapse..

Till i collapse im spillin these raps, long as you feel em  
to the day that i drop, you'll never say that im not killin  
em  
cuz when i am not, then imma stop pinnin em  
and i am not hip hop and im just not Eminem  
subliminal thoughts when imma stop sendin' them  
women are caught in webs, spin em and hock venom  
adrenaline shots of pennacillin could not get the illin' to  
stop  
amoxicillin is not real enough.  
The criminal cop killin', hip-hop villain  
a minimal swap to cop millions of Pac listners,  
you're comin' with me, feel it or not,  
you're gonna fear it like i showed ya the spirit  
of God lives in us.  
You hear it a lot, lyrics to shock.  
Is it a miracle or am i just a product of pop fizzin up?  
Fo shizzle my wizzle, this is the plot, listen up..  
You bizzles forgot, slizzle does not give a FUCK!

till the roof comes off, till the lights go out  
till my legs give out, cant shut my mouth  
till the smoke clears out, and my high wear out  
imma rip this shit, till my bones collapse

till the roof comes off, till the lights go out  
till my legs give out, cant shut my mouth  
till the smoke clears out, and my high wear out  
imma rip this shit, till my bones collapse...

music is like magic  
there's a certain feeling you get  
when you real and you spit  
and people are feeling your shit-acapo
