When they come like left for day  
I bet not in my head  
And now I wanna be bigger, bein' here with you  
It's not so hard to be  
I can see in my dream, I know I'm gonna be better  
My friends always say

[Hook]  
My friends always say..ey..ae.  
That every thing will be ok  
But it don't always work out that way  
Show in my famagam'  
Me living in, cuz I'll remember when baby

[Chorus]  
I am.., the top of my life  
Everything is right, with you  
After all that I'd been through(yeah)  
I ain't try to loose  
This times of my life, with you  
When they come like left for day  
I bet not in my head  
And now I wanna be bigger, bein' here with you  
It's not so hard to be

But it don't always work out that way  
So here I am again,  
Belivin in, cuz I remember when baby

Everything is right, with you  
After all that I've been through(yeah)

One day they will see  
It'll shine on at me  
Finally see me smile, hear me laughing(at last)  
At last You'll be hurt  
Cuz long long time upserve  
Now hope you hear  
Baby baby I've had....

Everything is right, with you  
After all that I've been through(yeah)

This time of my life, with you  
Baby I've had

I've had, the time of my life  
Everything is right, with you  
Baby take my hand  
Cuz I wanna go on too  
This time of my life, with you
