(Refrain)

(woo woo shady shady)

Aftermath

(look at that bitch)

There she goes, shaking that ass on the floor, bumpin
and grindin that pole

The way she's grindin that pole, I think I'm loosing
control

Get buzzed, get drunk, get crunk, get fucked up

Hit the stripclub, don't forget ones, get your dick
rubbed,

Get fucked, get sucked, get wasted, shit-faced

Pasted, plastered, puke drink up, get a new drink
through the bathroom sink door

Wipe your suit clean, got a routine going, still got a few
drunks, someones snooz(?) drinks showin,

I was dehydrated till the beat vibrated, I was revived as
soon as this bitchz girated(?),

And hips and lickin lips, and that was it,

I had to get Nat-Dog get his things and shit

(chours)

Two to the one from the one to the three,

I like good pussy and I like good trees,

Smoke so much weed you wouldn't believe and I get
more ass then a toilet seat,

Three to the one for the one to the three,

I met a bad nitch last night at the Dee(?),

Let me tell you how I made her leve with me,
conversation and Hennessy(sp*)

I've been to the motherfucken mountaintop,

Heard motherfuckers talk sleeve(?) and drop,

If I ain't got a weapon I'm gon pick up a rock,

And when I buss your ass, I'm goin to continue to box,

Get your ass off the wall with your two left fee,

It's real easy just follow the beat,

Don't let that fly girl pass you by,

Look real close cos stobe light fly(?)

We bout to have a party, (turn the music up)
Lets get it started, (go head shake your butt)
I'm lookin for a girl with a body and a sexy strut,
Wanna get it poppin baby step right up
Some moves they got retarded(?)
Suppose somebodys body
I'm lookin for a girl that will do whatever the fuck I say
everyday she be givin it up, (now)
Shake that ass for me, shake that ass for me,
Come on girl, shake that ass for me, shake that ass for

(Refrain)

I'm a menace, a dentist, an all hygenist,
Open your mouth for about four five minutes,
Take a little bit of this floor ride minutes(?)
Swish but don't spit it, Swallow and I'll finish yea
Me and Nate D-O-double G, lookin for a couple bit-chez
with some double Ds,
Pop a little chamdagne(sp*) and a couple these,
Slippin in the bubbly, wee, -----(?)

(chours)

We bout to have a party, (turn the music up)
Lets get it started, (go head shake your butt)
I'm lookin for a girl I can fuck in my hummer truck,
Apple bottem jeans and a big ol butt
Some moves they got retarded(?)
Suppose somebodys body
I want a bitch to sit at the crib with no panties on,
Knows that can but she won't say no, (now)
Look at this lady all in front of me, sexy as can be,
Tonight I wanna slut, would you be mine?
Heard you was freaky from a friend of mine

Now I hope you don't get mad at me, but I told Nate you
was a freak,
He said he wasnt a slut, hope you don't mind, I told him
how you like it from behind,

(yea)

Shake that ass for me, shake that ass for me,
Come on girl, shake that ass for me, shake that ass for
me,

Ahh girl, shake that ass for me, shake that ass for me
Come on girl, shake that ass for me, shake that ass for
me,

We bout to have a party, (turn the music up)
Lets get it started, (go head shake your butt)
I'm lookin for a girl with a body and a sexy strut,
Wanna get it poppin baby step right up
Some moves they got retarded(?)
Suppose somebodys body
I'm lookin for a girl that will do whatever the fuck I say
everyday she be givin it up, (now)

There she goes, shaking that ass on the floor, bumpin
