Uhh, ooooooooooooooh baby, baby
Keep it thug, and keep yo' heat, na nah nah nah nah

[Nas]

Now slowly, thinkin of all the things that oppose me
I think of kings who died and rappers out to dethrone
me
For they crown they head is cut off, bodies is laid
Dead in the street, it's so fuckin pitiful
First they love you, could be the bitch that even live with
you (hoe)
Mad at your riches, now she switched, turned
miserable
Cause she wanna dress like Bonnie, Robin and Crystal
do
But Crystal's single, Bonnie's broke and her niggaz too
(ha)
I can do bad by myself
