Chorus: Lloyd Banks]

Niggas Know what I'm about out here
I don't toot my own horn cause I don't have to
You can run your mouth I don't care
but if you get too close I'm gonna clap you
It's too real out here to be scared
A real nigga is gonna do whatever he has to
A man is the last thing you should fear
it ain't considered a crime unless they catch you
We all die one day

[Obie Trice]

Niggas when I step up in the bar, faggots wanna loot
like you motherfuckers got Obie Trice shook
Like I'm gonna stand here as a man and
let some queer ass funny looking nigga get the upper
hand
I got issues, got no time, got guns that mourn nigga's
moms
shoot up clubs and destroy nigga's vibes
everybody running for their motherfucking lives
Tough club niggas, we leave early, cock back surely
open up your fade, your grey brain meets motor city
pave
your nervous system still twitch off Jay Z
O's an animals skirts get mirked
don't ever let a nigga tell you slugs don't hurt
don't ever let a nigga tell you play the bar hard
trust in guard it cause you're about to catch a bullet
scar
I give a fuck where you from who you be with
keep this a secret right by the nuts
a 4-5 that'll light niggas up and this 4-5 high make me
not give a fuck

[Chorus]

[Lloyd Banks]

But as long as I'm here I'm gonna grab checks
and make my cash stretch longer than giraff necks
poverty will make your ass bet on words
touch niggas in jail make them wanna finish their last

sents'
they say you live by the gun and die by the next nigga
gun
if that's the case then get a bigga one
you don't think I pack the pump cause I'm out of the
hood
that's a stereotype like everyone that's black can jump
I where a white mink, the fabric is done
got rings that bling like Mike, Byrd, Magic and them
out in Dallas in a palace where the Mavericks is from
living lavash, I'm established, so the cabbage'll come
I'm the clouds you won't see me in the trains
I travel first class you don't even got a TV on your plane
You should be easy on my name, cause I don't going
back and forth
your boss and your captain's soft

[Chorus]

[Eminem]
We gonna bring it to anybody who want it
you want it? you gonna get it
name them and we gon hit em, chew em up and spit
em out
too much venom and if you role with 'em
we gonna fuck you up with 'em
I got too much of my men movin in my direction to lose
my shoes will explode as soon as you go to step in 'em
(BROOM)
you know how we do it when we do how we do it when
we come through
G-Unit, D-1-2 and Obie we all move like assasins
ski masks and gloves consider this as a warning
disaster comes faster than you can react to it, just ask
Muggs

but we are fizast, fuck your litte bitch ass up
we are not killers, my vato will have you shot though
drag through the varrio and fucked like Kim Osario
litte sorry hoe ass, go ask B Real
we burn source covers like fuckin Cypress Hill
did in the 90s, when you was in diapers still
shady records you better believe the hype is real
this is no joke, I don't smoke
but I toke enuff second hand to make my fuckin P.O.
choke
I'm an OG, you're fuckin with a GI Joe
Bia Bia, mia meo a vida loco
I'm a psycho, Mariah aint got shit on me
when I retire I'll be spittin baby food on people
a tent sieged on her ranch, huddled up next to her

with Hello Kitty slippers on, humping her legs
you ever had your cat pealed back or your shit pushed
in

I put my blade in your like a fucking pin cushion
slice your ear clear off, Smirnoff and Henn dogg
I'll show you how to kill a fucking man like Sen Dog
Nobody told you that I'm loco essay?
I lack every sane chemical in my membrane
I'm slim sha...dy and the "d" is for deez nuts
and you can get each one for free so feast up
I pee in a cup for three months, I'm having an E party
for Easter please come

[50 Cent]

We gonna bring it to anybody who want it
you want it? you gonna get it
name em and we gon hit em, chew em up and spit em
out
too much venom and if you role with 'em
we gonna fuck you up with 'em
you can do all those push ups to pop up your chest
I got a 12 gauge mossberg to pop up your chest have
you gasping for (Air) after that shell hit your vest
fear me like you fear god cause I bring death
Silverback gorrilla in the concrete jungle
I'm the strongest one around you know how I get down
I watch gansta flicks and root for the badguy
and turn it off before it ends cause the badguy die
if you trying to buy guns I'm the nigga to look to
so what they got bodies on 'em, they still look new
you can raise your voice like you (feeling) to touch
something
when I raise my knife shit I'm (feeling) to cut something
see I walk like Ron O'Neil and talk like Goldie
if the bitch think I love her the bitch don't know me
haha Sorry Kim haha)

[Chorus]

[Eminem]

Souls Assasins y'all
What up Muggs?

[DJ Muggs]

What up Em?

[Eminem]
