[Talking]

Guess who? Did you miss me?
Jessica Simpson, sing the chorus!

[Chorus]

When you walked through the door
It was clear to me (clear to me)
You're the one they adore
Who they came to see (who they came to see)
You're a rockstar (baby)
Everybody wants you (everybody wants you)
Playa, Who could really blame you?
We're the ones who made you

[Verse 1]

Back by popular demand
Now pop a little Zantac for antacid if you can
Get ready to tackle any task that is at hand
How does it feel? Is it fantastic? Is it Grand?
Well look at all the massive masses in the stands
Shady man, No, Don't massacre the fans
Damn, I think Kim Kardashian's a man
She stomped him just cause he asked to put his hands
on her massive
Gluteus maximus again
Squeeze it then squish it then pass it to a friend
Can he come back as nasty as he can?
Yes he can can, Don't ask me this again
He does not mean to lesbian offend
But Lindsay please come back to seeing men
Samantha's a two, Your practically a ten
I know you want me girl, In fact I see you grin
Now come in girl

[Chorus]

When you walked through the door
It was clear to me (clear to me)
You're the one they adore
Who they came to see (who they came to see)
You're a rockstar (baby)
Everybody wants you (everybody wants you)
Playa, Who could really blame you?

We're the ones who made you

[Verse 2]

The enforcer, Lookin for more women to torture
Walk up to the cutest girl and charlie horse her
Sorry Portia but what's Ellen DeGeneres have that I
don't
Are you telling me tenderness?
Well I could be as gentle and as smooth as a
gentlemen
Give me my Ventolin inhaler and two Xenadrine
And I'll invite Sarah Palin out to dinner then nail her
Baby say, "Hello" to my little friend
Brit forget K-Fed, Let's cut out the middlemen
Forget him or gonna end up in the hospital again
And this time it won't be for the Ritalin binge
Forget them other men, girl, Pay them little attention
And little did I mention that Jennifer's in love with me
John Mayer, So sit on the bench
Man I swear them other guys, You give them an inch
They take a mile, They got style but it isn't Slim

[Chorus]

When you walked through the door
It was clear to me (clear to me)
You're the one they adore
Who they came to see (who they came to see)
You're a rock star (baby)
Everybody wants you (everybody wants you)
Playa, Who could really blame you?
We're the ones who made you

And that's why my love you'll never live without
I know you want me girl
Cause I can see you checking me out
And baby you know
You know you want me too
Don't try to deny it, baby
I'm the only one for you

[Verse 3]

Damn girl, I'm beginning to sprout an Alfalfa
Why should I wash my filthy mouth out?
You think that's bad, You should hear the rest of my
album
Never has there been such finesse and nostalgia
Man Cash, I don't mean to mess with your gal
But Jessica Alba, Put her breast on my mouth, bro
Wowzers! I just made a mess in my trousers
And they wonder why I keep dressing like Elvis
Lord help us, He's back in his pink Alf shirt

Looking like someone shrunk his outfit
I think he's 'bout to flip, Jessica
Rest assured, Superman's here to rescue ya
Can you blame me?
You're my Amy, I'm your Blake
Matter fact bake me a birthday cake
With a saw blade in it to make my jail break
Baby, I just think you just met your soul mate
Now break it down girl

[Chorus]

When you walked through the door
It was clear to me (clear to me)
You're the one they adore
Who they came to see (who they came to see)
You're a rockstar (baby)
Everybody wants you (everybody wants you)
Playa, Who could really blame you?
We're the ones who made you

[Bridge]

So baby, baby
Get down, down, down (Baby)
Get down, down, down (Baby)
Get down, down, down (Baby)
Get down, get down (Baby)
Get down, down, down (Baby)
Get down, down, down (Baby)
Get down, down, down (Baby)
Get down, get down

[Talking]
