So let's get down to business,
I don't got no time to play around
What is this, what is this
The invasion
Green lantern
The infiltration
We comin
I got 50 Cent,
I got G-UNIT,
D twizzy in this bitch, wit Obie Trice
So watch what you say,
'fore you call our name
'cause you say one more thing,
and it won't be nice

Here we go I shoulda known
I was bound to get pulled into some bullshit
Sooner or later you little haters
are too jealous of us to love us
you hate it
G-UNIT made it
And Obies comin, D twizzis comin,
ya sick to ya stomach
50 percent of it is 50 Cent
the other 50 percent of it's whose color of skin it is
but if you even considerin
Takin our label down
you better find our building
and fly a fuckin plane into it
But I ain't tryin to get to intriquite into it
i'm just tryin to give you a little hint for ya own benefit
'cause then it's just gonna get to the point
where it escalates into some otha shit
then imma flip
them imma get to stompin' in my Air Force Ones
Wont be able to tell if it's 2 pairs or it's one
'cause it's gonna feel like so many feet kickin you
You'll think nike just made these innercleet tennis shoe
i dont know what it is or what it could be

but i get a woody when these pussies try to push me
thinkin they gonna put me in a position to pickle me

yall tickle me pink ,I think I'd just rather have Pink tickle
me
hickory dickory dock tickity tock tickity
a little bit of da diggidy dock diggidy
mixed wit a lil bit of the jigga ji jigga
wit a small pinch of biggie look at me im just the bomb
diggity

(CHORUS):

We the realest label
don't try to act like u dont feel our label
'cause we gon' fuck around and kill your label
Obie, d twizzy, G-unit, 50, Shady Records we the label
fa sho

We the realest label
don't try to act like u dont feel our label
'cause we gon' fuck around and steal ur paper
Obie, d twizzy, G-unit, 50 we gon kill your fuckin' label
fa sho

Yeah!

And I ot what it takes to rock da mic right?
still watch what you say to me punk
'cause I'm off probation in less than 6 months

HAHA --- WOO

and dont think we dont hear you mothafuckas talkin
'cause we do, we see yall
