Chorus:[\*HOT\*]  
I'm in Love, With what we are,  
Not what we should be.  
And I'm, I'm starstruck.  
With every part, Of this whole story

Verse1:[Eminem]  
I'm live again More than alive than I  
Have been in my whole life I can  
See these people's ears perks up as I begin  
To paz with the pen, I'm little bit sicker than, most  
Shit's gonna get thick again  
They say the competition is stiff  
But I get a hard dick from this shit, now stick I in  
I ain't ever giving in again  
Caution to the wind, complete freedom  
Look at these rappers, how I treat them  
So why the fuck would I join  
Them when I beat them  
They call me a freak because  
Like to spit on these pussies 'fore I eat them  
Man get these whack cocksuckers off stage  
Where the fuck is Kanye when you need him?  
Snatch the mic from him, bitch  
I'mma let you finish in a minute  
Yeah that rap was tigh But I'm  
About to spit the greatest verse of all time  
So you might want to go back to the lab tonight and um  
Scribble out them rhymes you were going to spit  
And start over from scratch and write new ones  
But I'm afraid that it ain't gonna make no difference  
When I rip this stage and tear it in half tonight  
It's an adrenaline rush to feel bass thump  
In the place all the way to the parking lot, fellow  
Set fire to the mic and ignite crowd  
You can see the sparks from hot metal  
Cold-hearted the day I Borgarted the game  
I so started to rock fellow  
When I'm not even in my harshest you can still get  
roasted'  
Cause Marsh is not mellow

Chorus:[\*HOT]  
I'm in Love, With what we are,  
Not what we should be.  
And I'm, I'm starstruck.  
With every part, Of this whole story

Verse2:[B.O.B]  
I really don't know how long I've been doing this shit  
I guess 2010's the first year gave a shit  
I was the underdog so please excuse me a bit  
I need some space so someone please make me some  
room in this bitch  
Cause I'm in Beast mode, feast mode  
Give me those beats I eat those all day I don't sleep no  
I don't even know what I got sheets for  
Them pillow cases and bed frames oh take that, don't  
need those  
So high I don't get high, I don't even know what I got  
weed for  
People I'm in beast mode, what'd you think I got these  
teeth for  
Why do I rep that east side and why do they all call me  
B.O  
But see I knw this beat for Anybody fed my ego  
Back in the hood in east shoals  
So we take hood wherever we go  
And please know, I am as loyal loyalty is when it's gave  
Dedicated, determined, dependable  
Yes I committed myself to the game  
Don't be letting them tell you them lies  
We make the industry real when it's fake  
So stay meditating so your head is facing into direction  
that you aim bitch

Chorus:[\*HOT\*]  
I'm in Love, With what we are,  
Not what we should be.  
And I'm, I'm starstruck.  
With every part, Of this whole story
