[Dr. Dre] Oh, so I'm out the game huh?
[Eminem] Yo Dre, we ridin?
[Dr. Dre] Whatever
[Eminem] Well I'm wit ya homie
[Dr. Dre] Ok, Let's handle this small shit

[Eminem]
I was born to brew up storms 'n stir up shit
Kick up dust, cuss til I slur up spit
Grew up too quick went through too much shit
Corrupt and now they pour it on like syrup, bitch
Thick 'n rich, sick and twisted Mr. Buttersworth
Dre told me to milk this shit for what it's worth
Till the cow just tilts and tips 'n stumbles to earth
And if I fumble the verse, keep going
First take, I make mistakes, just keep it
No punches, pull no punches, that's weak shit
Fake shit if I ever take shit, I eat shit
Wasn't for him? Wouldn't be shit

[Dr. Dre]
Creep wit me, as we take a little trip down Memory Lane
Been here longer than anyone in the game
And I ain't got to lie about my age

[Eminem]
But what about Jermaine?

[Dr. Dre]
Fuck Jermaine, he don't belong speakin mine or
Timbaland's name
And don't think
I don't read your little interviews and see what your
sayin
I'm a giant, and I ain't gotta move till I'm provoked
When I see you, I'ma step on you and not even know it
Ya midget, Mini-Me, with a buncha little Mini-You's
Runnin around your backyard swimming pools
Over 80 million records sold
And I ain't had to do it with 10 or 11 year olds

[Eminem]

Cuz what you say is what you say

Say what you say how you say it whenever you sayin it

Just remember how you said it when you was sprayin it

So who you playin with huh huh huh huh?

Cuz what you say is what you say

Say what you say how you say it whenever you sayin it

Just remem
