Yeah

It's my life

In my own words I guess

Have you ever loved someone so much, you'd give an arm for?

Not the expression, no, literally give an arm for?

When they know they're your heart

And you know you are their armor

And you will destroy anyone who would try to harm 'em

But what happens when karma, turns right around and bites you

And everything you stand for, turns on you, despite you?

What happens when you become the main source of a pain?

"Daddy look what I made," dad's gotta go catch a plane

"Daddy where's mommy? I can't find mommy, where is she?"

I don't know, go play Haile, baby, your daddy's busy
Daddy's writing this song, this song ain't gon' write itself

I'll give you one underdog, and you gotta swing by yourself

Then turn right around in that song and tell her you love her

And put hands on her mother, who's a spitting image of her

That's Slim Shady, yeah baby, Slim Shady's crazy
Shady made me, but tonight Shady's rocka-by-baby

And when I'm gone, just carry on, don't mourn
Rejoice every time you hear the sound of my voice

Just know that I'm looking down on you smiling

And I didn't feel a thing

So baby don't feel no pain

Just smile back

And when I'm gone, just carry on, don't mourn
Rejoice every time you hear the sound of my voice
Just know that I'm looking down on you smiling
And I didn't feel a thing
So baby don't feel no pain
Just smile back

I keep having this dream, I'm pushin' Haile on a swing
She keeps screaming, she don't want me to sing
"You're making mommy cry? Why? Why is mommy
crying?
Baby, daddy ain't leaving no more, "Daddy you're
lying?"

"You always say that, you always say this is the last
time
But you ain't leaving no more, daddy, you're mine"
She's piling boxes in front of the door, trying to block it
"Daddy please, daddy don't leave, daddy, no stop it!"

Goes in her pocket, pulls out a tiny necklace locket
It's got a picture, "This'll keep you safe daddy, take it
witcha"
I look up, it's just me standing in the mirror
These stinkin' walls must be talking, ?cuz man I can
hear 'em

They're saying, "You got one more chance to do right
And it's tonight, now go out there
And show ?em that you love 'em ?fore it's too late?
And just as I go to walk out of my bedroom door
It's turns to a stage, they're gone, and this spotlight is
on
And I'm singing
And when I'm gone, just carry on, don't mourn
Rejoice every time you hear the sound of my voice
Just know that I'm looking down on you smiling
And I didn't feel a thing
So baby don't feel no pain
Just smile back

And when I'm gone, just carry on, don't mourn
Rejoice every time you hear the sound of my voice
Just know that I'm looking down on you smiling
And I didn't feel a thing
So baby don't feel no pain
Just smile back

Sixty thousand people, all jumping out their seat
The curtain closes, they're throwing roses at my feet
I take a bow and thank you all for coming out

They're screaming so loud, I take one last look at the crowd

I glance down, I don't believe what I'm seeing
"Daddy it's me, help mommy, her ***** are bleeding"
But baby we're in Sweden, how did you get to Sweden?
"I followed you daddy, you told me that you weren't leavin'
You lied to me dad, and now you made mommy sad
And I bought you this coin, it says 'Number One Dad'?"

"That's all I wanted, I just want to give you this coin
I get the point, fine, me and mommy are goin'"
But baby wait, "It's too late dad, you made your choice
Now go out there and show 'em that you love 'em more than us"

That's what they want, they want you Marshall
They keep screamin' your name
It's no wonder you can't go to sleep, just take another

Yeah, I bet you you will, you rap about it
Yeah, word, k-keep it real

I hear applause, all this time I couldn't see
How could it be, that the curtain is closing on me?
I turn around, find a *** on the ground, **** it
Put it to my brain, scream, "Die Shady" and *** it

The sky darkens, my life flashes
The plane that I was supposed to be on crashes and burns to ashes
That's when I wake up, alarm clock's ringin', there's birds singin'
It's spring and Haile's outside swinging

I walk right up to Kim and kiss her
Tell her I miss her, Haile just smiles
And winks at her little sister
Almost as if to say

And when I'm gone, just carry on, don't mourn
Rejoice every time you hear the sound of my voice
Just know that I'm looking down on you smiling
And I didn't feel a thing
So baby don't feel no pain
Just smile back

And when I'm gone, just carry on, don't mourn
Rejoice every time you hear the sound of my voice
Just know that I'm looking down on you smiling

And I didn't feel a thing
So baby don't feel no pain
Just smile back
