'When We're Gone'

[D-Boi and New Shady Version]

D-Boi featuring New Shady and EMINEM

[Intro-D-Boi and New Shady]

Yo this is D-Boi and this song goes out to Ash

I hope you still know I'll pay you a lot of cash

[New Shady]

Yo and this song also goes

Out to my girl- Ashley

[Verse 1-D-Boi]

Have you ever felt for someone like you don't wanna  
leave 'em?

But you have to go 'cause you don't wanna hurt 'em

'Cause people are tryin' to hurt you

You can't risk them hurtin' her too

you pack up and try to leave but hesitate

You know you gotta leave the fuckin' state

All cause a girl turned your ass down

You know you've gotta leave the fuckin' town

Then about a mile down the road you think

You can't go down wit your ship, you can't fuckin' sink

When you get home, your gun's on the ground you pick  
it up

You slip in a pool of blood and you can't get up

You think it's over, you think it's all your fault

Then you look up and see her picture on the wall

You get up and think this the last show, better show it  
all

That's D-Boi, yeah baby D-Boi's crazy

New Shady made me, but tonight D-Boi is rock-a-bye  
baby

[Chorus 2x-EMINEM and D-Boi]

And when we're gone, just carry on don't mourn,

rejoice every time you hear the sound of our voices

Just know that we're lookin' down on you smilin'

And we didn't feel a thing so people don't feel no pain,  
just smile back

[Verse 2-D-Boi]

You're drivin' down the road and you don't know where  
your goin'

You blacked out after that 40 ounces was fuckin' gone

But next thing you know, you wake up in cuffs  
You look over and there's another pool of blood  
You think to yourself, I actually did it  
I killed a man for my fuckin' kid  
Thank God I did  
I couldn't take the shit  
1 year later I wake up in prison  
They tell me I'm out,  
Thank your fuckin' spouse  
I look up and I'm like holy shit  
I'm married and didn't even know it  
And then I am at a concert singin' with EMINEM and  
New Shady  
And I tell them that Mary Beth's the person I wished was  
my lady  
And then I look up and see you Mary Beth up in the  
crowd  
I call out her name, but she doesn't hear a sound  
It's because these damn people are screamin' so loud  
I say up in my mind I'll always love, care, and treat you  
good lil sis  
And that's a promise  
You're grown up and married to Chris  
And just as I walk out the jail cell it turns to a stage  
they're gone  
And the spotlight is on and EMINEM and me are singin'  
[Chorus 2x-EMIENM and D-Boi]  
And when we're gone, just carry on don't mourn,  
rejoice every time you hear the sound of our voices  
Just know that we're lookin' down on you smilin'  
And we didn't feel a thing so people don't feel no pain,  
just smile back  
[Verse 3-New Shady]  
[D-Boi- yo give it up for yo boy New Shady]  
I was in prison for someone I shot  
Up in a parkin' lot  
But I'm still here  
I have two more years  
Until I get released  
Caught by the police  
I love my wife, why would I hate her  
2 more years later  
I'm out of prison  
Was it a dream or all a vision

I call out to Ashley and she say's yes dear  
I tell the kids and her to come over here  
And then I tell her we're goin' for a ride  
As long as we got each other by our a side  
We'll be fine  
And Ashley and me are out wit the kids

Ashley turns to me and walks up to me  
And kisses me on the lips  
This is the happiest day that I've ever had  
D-Boi got released yesterday from prison and it made  
me mad  
If something were to happen to Ashley or my kids I'd be  
there to protect 'em like a husband and a dad  
[Chorus 2x-EMINEM and New Shady]  
And when we're gone, just carry on don't mourn,  
rejoice every time you hear the sound of our voices  
Just know that we're lookin' down on you smilin'  
And we didn't feel a thing so people don't feel no pain,  
just smile back

[Verse 4-EMINEM, D-Boi, and New Shady]

[All]

Sixty thousand people, all jumpin' out their seat,  
The curtain closes, they're throwing roses at our feet,  
We take a bow and, "thank you all for comin'  
out",  
They're screamin' so loud, we take one last look at the  
crowd

[D-Boi]

I glance down, I don't believe what I'm seein',  
"Daddy it's me! Help mommy her wrists are  
bleedin'!"  
But baby we're in Sweden, how did you get to  
Sweden?!  
"I followed you daddy, you told me that you weren't  
leavin'  
You lied to me dad, and now you made mommy sad,  
And I bought you this coin,  
It says "number 1 dad", that's all I wanted  
I just wanna give you this coin,  
I get the point, fine, me and mommy are going"

[New Shady]

But baby wait-  
"its too late dad, you made your choice. Now go out  
there and show 'em that you love 'em more than us  
That's what they want  
They want you Marshall, they keep  
screamin your name, it's no wonder you can't go to  
sleep.  
Just take another, pill, yeah I bet ya you will  
You rap about it. Yeah word, can't keep it real"  
I hear applause, all this time I couldn't see  
How could it be that the curtain is closing on me  
I turn around, find a gun on the ground, cock it,  
put it to my brain, scream 'die Shady!' and pop it  
The sky darkens, my life flashes,  
The plane that we were supposed to be on crashes and

burns to ashes

[EMINEM]

That's when we all wake up, alarm clock's ringin',

There's birds singin', it's spring and

Hailie's out side swingin',

I walk right up to Kim and kiss her, tell her I miss her

Hailie just smiles and winks at her little sister, almost

as if to say-

[Chorus 2x- D-Boi, New Shady, and EMINEM]

And when we're gone, just carry on don't mourn,

rejoice every time you hear the sound of our voices

Just know that we're lookin' down on you smilin'

And we didn't feel a thing so people don't feel no pain,

just smile back
