Don't watch that (scratch) Watch this!!

[Eminem]

Whose arm is this?

I must've cut it off at the pharmacist

Who refused to renew my seventh prescription of Darvocets

I'm the old man who lives upstairs and starves his pets

That never leaves his house

Cause he thinks his car's possessed

I hate my life

That's why I degrade my wife

Grabbed the paper plate

To make a sandwich

And just ate the knife

My Mother's screaming "Please heal him, take him straight to Christ!"

Meet you in the street and slap you

Just to break the ice

(What up? I'm Eminem.)

Made a bomb threat with a fake device

Strip you naked twice

Pistol whip you and force you to take advice

But if you catch me boppin' my head to some bullshit you were spittin'

I was probably just trying to shake the lice

Bugs falling out of my head

I'm wishing I was dead

While I'm crawling out of my bed

Pissing violet red

And my raps are returning

I feel the sensation of burning

That's current usually during painful release of my urine

Screaming in my shadows

"Please quit following me!"

These pills keep screaming

"Please quit swallowing me!"
The devil keeps screaming
"Please get down on one knee!"
I took the drugs before the cops ever found them on
me

(Prolonged moaning scream)

[Chas Smash]
(scratch) Wat...(scratch) Watch this! (scratch) Watch
this!!!!!!!!!!!!
