[Obie Trice]

"Obie Trice, Real Name No Gimmicks..."

[Beat Changes]

[Eminem]

Two trailer park girls go round the outside,
round the outside, round the outside.

Two trailer park girls go round the outside,
round the outside, round the outside.

[Female Voice]

"Oooooohhhhh!"

[Eminem]

Guess who's back, back again

Shady's back, tell a friend

Guess who's back, guess who's back,
guess who's back, guess who's back,
guess who's back, guess who's back,
guess who's back...

Verse 1:

I've created a monster, cuz nobody wants to

See Marshall no more they want Shady

I'm chopped liver

Well if you want Shady, then this is what I'll give ya

A little bit of weed mixed with some hard liquor

Some vodka that will jumpstart my heart quicker

Then a shock when I get shocked at the hospital

By the Dr. when I'm not cooperating

When I'm rocking the table while he's operating "Hey"

You waited this long to stop debating

Cuz I'm back, I'm on the rag and ovulating

I know you got a job Ms. Cheney

But your husbands heart problem is complicated

So the FCC won't let me be

Or let me be me so let me see

They tried to shut me down on MTV

But it feels so empty without me

So come on dip, bum on your lips

f*ck that cum on your lips and some on your tits
And get ready cuz this sh*t's about to get heavy
I just settled all my lawsuits, "f*ck you Debbie!"

Chorus:

Now this looks like a job for me
So everybody just follow me
Cuz we need a little controversy,
Cuz it feels so empty without me

I said this looks like a job for me
So everybody just follow me
Cuz we need a little
