peace to Thirston Howl, A.L. and Wordsworth
My mother smoked crack I had a premature birth
I'm just a nerd cursed with badly disturbed nerves
Who wanna be the one to step up and get served first
Ninety nine percent of aliens prefer Earth
Come here to rule the planet, storm on your turf
I hid a secret message inside of a word search
With smeared letters, runnin together and blurred
spurts
Hang with male shovenest pigs and perverts
Who point water pistols at women and squirt shirts
Been a bad boy since diapers and Gerbers
My first words were bleep bleep and curse curse
Never had shit and I still don't deserve dirt
My breath still stinks, and I'm on my third cert
Digging out my stitches, and hollering nurse nurse
You said this shot would numb me this shit just hurts
worse
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first
When tha worst comes to worst
My peoples come first

I'll puke, eat it, and freak you (eww)
Battle? I'm too weeded to speak to
The only key that I see to defeat you
would be for me to remove these two Adidas and beat
you
and force feed you 'em both, and on each feet is a
cleat shoe
I'll lift you off your feet so fast with a roundhouse
you'll think I pulled the fuckin ground out from
underneath you
(Bitch!) I ain't no fuckin G, I'm a cannibal
I ain't tryin to shoot you,
I'm tryin to chop you into pieces and eat you
Wrap you in rope and plastic, stab you with broken

glass
and have you with open gashes strapped to a soakin
mattress
Coke and acid, black magic, cloaks and daggers
(ahhh!)
Fuck the planet, until it spins on a broken axis-ac
