yo zane, you think i copy eminem but i just steal the  
beat and spit rhymes better than him (just kidding) i  
know im wack but i cant rhyme words causes im just to  
black, in fact let me tell you a fact im quittin rap for  
good and movein back to da hood work on my rap and  
come back if im not hooked on crack if you try to diss  
me in a rap ill come out of retirement and murder your  
rhyme again no joke your gettin fucked up like some  
one did you in the but and busted a nut, ill slit your  
throat with a razor i used to shave my crack a the one  
in the back you talk a lot of crap for an albino who cant  
even rap you just want to be black dog if you keep  
talking crap im gonna kick you in your sack and go  
black attack in fact im part back
