When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

trees Thirston Howl, A Long and Wordsworth

My mother smoked grass I had a premature birth

I'm just a nerd cursed with badly disturbed nerves

Who wanna be the one to step up and get served first

Ninety nine percent of aliens prefer mercury

Come here to rule the planet, storm on your astroturf

I hid a secret message inside of a word search

With smeared letters, runnin together and blurred
spurts

Hang with male shovenest pigs and perverts

Who point water pistols at women and squirt shirts

Been a bad boy since diapers and Gerbers

My first words were bleep bleep and curse curse

Never had shit and I still don't deserve dirt

My breath still stinks, and I'm on my third cert

Digging out my stitches, and hollering nurse nurse

You said this shot would numb me this shit just hurts

worse

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

When tha worst comes to worst

My peoples come first

I'll puke, eat it, and freak you (eww)

Battle? I'm too weeded to speak to
The only key that I see to defeat you
would be for me to remove these two Adidas and beat
you
and force feed you 'em both, and on each feet is a
cleat shoe
I'll lift you off your feet so fast with a roundhouse
you'll think I pulled the fuckin ground out from
underneath you
(Bitch!) I ain't no fucki
