A lot of people ask me.. am I afraid of death..
Hell yeah I'm afraid of death
I don't want to die yet
A lot of people think.. that I worship the devil..
fuck fuck, o there so wrong, i onli do it a bit
that I do all types of.. retarded shit
Look, I can't change the way I think
And I can't change the way I am

To all the people I've offended yeah fuck you too!
To all the friends I used to have yo I miss my past
But the rest of you arseholes can kiss my arse
For all the fucking drugs that I've done yo I'm still gon'
do
To all the shitty people I've offended yeah fuck you too!
For everytime I reminisce yo I miss my past
But I still don't give a fuck, y'all can kiss my arse

I walked into a gu
