[Eminem]  
When me and Fif' got together to do this music and  
movie  
The more we became enveloped we just developed a  
fellowship through it  
It's no pretend shit its friendship mi nemesis es su  
nemesis  
Same for him it's just media see to them images it's  
just images  
But this shit is no gimmicks this is blood-in and blood-  
out  
When there's beef you just gotta know when to butt-in  
and butt-out,  
If there's a problem we solve it, we don't resolve it  
It usually just evolves into one big brawl and we all get  
involved in it  
We should all get a merit, cause most beef we inherit  
And wear it like a badge of honor pass it around and  
share it  
And let it go to whoever's holding the most current  
beef on they're shoulders  
And the soldiers got their backs till it's over  
But tonight, we aint come in here to beef with nobody  
We came to party - Banks, Cashis and Mr. Ferrari  
So it's Shady Afterm-izzath back in that ass  
You wizz-ass, come-izzon, what kinda fizz-uckin  
musician is that?

[Chorus]  
Who run it?  
You know ya acting like ya don't know  
I tear the club up fo sho  
This flow is gon' bring mo dough  
You know but ya acting like ya don't know

Who run it?  
You know ya acting like ya don't know  
I tear the club up fo sho  
This flow is gon' bring mo dough  
You know but ya acting like ya don't know

[Cashis]  
Pistol play ricochet see where the victim lay  
Slumped over bleedin, J.F.K  
H.K. to ya chest plate, cave  
I will ride to the death, do you rep thatta way?  
Forever I'ma be a Shady 7-4 gangsta  
Plus I'll survive everything you got in that chamber  
I thrive off of danger, jumpin in all beef  
You keep talking shit, now the squad can call me

[Lloyd Banks]  
Enough holding back the steam, Em let off a magazine  
Dapper Don, Cap' of Queens, mixed in with Cashis  
creams  
Started off with half a dream, developed into what you  
see  
Telling aint my cup of tea, can't tell I'ma fucking G?  
I'm all automatic when I'm at it, start static and you  
splattered  
Shit shattered, I'ma walking bitch magnet  
Spit it how I live it live it always to the limit  
And I'm always on my pivot for my digits you dig it?  
Soâ€¦!â€¦!â€¦!

[Chorus]  
We run it  
You know ya acting like ya don't know  
I tear the club up fo sho  
This flow is gon' bring mo dough  
You know but ya acting like ya don't know  
Who run it?  
You know ya acting like ya don't know  
I tear the club up fo sho  
This flow is gon' bring mo dough  
You know but ya acting like ya don't know  
Who run it?
