"Action City"

Visit "[Action City](#)" on MotoLyrics.com

Take me back to Action City
I wanna ride the cyclone
Surf's up in, in Action City
And I'm never ever, ever coming home.
Neon lights and pachinko machines
Find the time to do something cool
Bus stops, fast food and cigarettes
They say survival's the only rule
Action City, let's see how long you last
Action City, we're gonna have a blast
Action City, let's see how fast you fall
Action City we're gonna have it all.
Neon lights and pachinko machines
Find the time to do something cool
Bus stops, fast food and cigarettes
They say survival's the only rule
Action City, let's see how long you last
Action City, we're gonna have a blast
Action City, let's see how fast you fall
Action City we're gonna have it all.
Take me back to Action City
Surf's up in Action City
Gonna ride the cyclone
