I ain't like you!
And I don't want your love,
And I don't need your respect.
I just can't hate enough,
But I got no tears or regrets.
And I don't want your love,
And I don't need your respect.
I just can't hate enough,
But I got no tears or regrets.
I aint like you!
I aint like you!
And I will never live like you.
You will never walk the path I do.
I will never be like you,
And I will never be apart of a society that lies and fools.
I will never live like you,
And I will never walk the path you do.
I am your wasted youth so...
Fuck you and society to cause
My kind just aint like you.

Oh yeah!

Yeah, see I'm the king of nothing,
Cause nothing's what I am and nowhere's where I'll be.
I would rather be a king of nothing
Than be a servant in a sick society.
All their pretty little children
Playing their pretty little games
In their pretty little worlds
That's all I've ever seen.
You've never felt my pain
And i just gotta say to your face..

I aint like you!
And will never live like you.
And you will never walk my path .
Fuck you and your society too.

Oh yeah!

Once again I'm the king of nothing

Cause nothing's what I am and nowhere's where I'll be.
I'm a nowhere man from nowhere USA
Its a dead end street, near you!
They broke my heart and stole my soul
And why I'll never know.
I'm exiled from all of you, so
Fuck you and the whole world too, cause
I will never live like you.

I ain't like you!
And I don't want your love
And I don't need your respect
I just can't hate enough
But I got no tears or regrets
I don't want your love
And I don't need your respect
I just can't hate enough
But I got no tears or regrets
I ain't like you
I piss on my generation
I piss on my fucking generation
All I see are little MTV babies
Playing their little MTV game
That ain't the fuckin real world I was forced to see
That ain't the real world at all
And I don't want your love
And I don't need your respect
I just can't hate enough
But I got no tears or regrets
Fuck you!
Fuck you!
Fuck you and Fuck society too!
Fuck you!
Fuck you!
Fuck you and fuck the world!
If you don't like it you can suck my dick
If you don't like it you can suck my dick!
If you don't like it you can suck my dick
If you don't like it you can suck my dick!
If you don't like it you can suck my dick
If you don't like it you can suck my dick YEAH!
The line to suck my dick starts to the left
I ain't like you, my kind ain't like you
So FUCK YOU!
(Wasted youth)
