All right

we dont need no fancy place  
and we dont wanna see nobodys face  
were goin down the bar  
me and the boys are goin out tonite  
and me and the boys are goin down tonite  
we dont need no fancy place  
and we dont wanna see nobodys face  
were goin down the bar  
were goin down the bar  
me and the boys are goin out tonite  
and me and the boys are goin down tonite  
we dont need no fancy place  
and we dont wanna see nobodys face  
were goin down the bar  
DRINK! DRINK! DRINK! DRINK! DRINK! DRINK! DRINK!
