Terror

Everyday I wake to find nothing has changed  
Still down on my luck I pray  
Alone still has to be this way  
Above me the skies will remain gray

Got jealousy for anyone that's happy  
You don't know, I hate you want to hurt you, see you  
suffer  
You won't hear the cries for helpin' me, my fear  
I writhe in pain, I was born to lose

Angry and alone is how and what I was meant to be  
Hatred and fear will always be a part of me  
There's no salvation for me I know that I am cursed  
For all eternity

Maldito, yo naci Maldecido  
Bastard, cursed with life and endless disappointments  
Monster, learn to deal with what I've become  
Outcast, there's no reason to live, there's only

Hatred, sometimes that's all that's real  
Terror, sometimes that's all I feel  
Hatred, sometimes that's all that's real  
Terror, sometimes that's all I feel

Paranoia's got a strangle hold on my mind  
I want to sigh in relief but not this time  
It seems now a days to stop this torture  
I need to drink and drink to forget the future

Even the people in my life hardly know me  
The malice and rage, I stride to hide and control  
I want to end this pain, my luck drains away like rain  
There's only endless pain

Maldito, yo naci Maldecido  
Bastard, cursed with life and endless disappointments  
Monster, learn to deal with what I've become  
Outcast, there's no reason to live, there's only

Hatred, sometimes that's all that's real  
Terror, sometimes that's all I feel  
Hatred, sometimes that's all that's real  
Terror, sometimes that's all I feel

We're the cursed, hide behind friendly smiles  
There's a need to crush and hurt to avenge our loss  
Day in, day out, the pain is too immense to bear  
My hatred grew 'cause no one ever cared

I fail and fail at everything I do  
I hope, I lose, to me it's nothing new  
I try, I fail, I crash and burn  
I've lost again, I die, this curse will never end

Hatred, sometimes that's all that's real  
Terror, sometimes that's all I feel  
Hatred, sometimes that's all that's real  
Terror, sometimes that's all I feel
