alright lets go
tonight
here we goooooo!
blood for blood
here we goooooo!
blood for blood
tonight
alright here we are back again and nothing much has
changed axept maybe for the words
but i gotta ask you
have you ever take a look around at the shit world we
live in and wonder why?
and you aint got no answers so maybe ask your girl or
your boys or your friends or sumthin and they aint got
no answers so ya figure i quess were all just fucked
the world is goin to hell tonight but tonight im feelin
alright so lets fuckin go
