Rock an' roll

As I walked along I wonder
What went wrong with our love
A love that was so strong

And as I still walk on
I think of what we done together
While our hearts were young

I'm walking in the rain
Tears are falling and I feel the pain
Wishing you were here by me to end this misery

And I wonder, why why why why why
Why, why why why why why she ran away
And I wonder where she will stay
My little runaway, run run run run runaway
Let's go

Rock an' roll

Bring it down
Let's go

I'm walking in the rain
Tears are falling and I feel the pain
Wishing you were here by me to end this misery

And I wonder, why why why why why
Why, why why why why why she ran away
And I wonder where she will stay
My little runaway, run run run run runaway
Runaway, run run run run runaway
Where will she stay?
