Eminemmylou and Buzz come down to rock up da
place,
Rockabilly dance hall style and put a smile on your face
And we rock up all over the world and set the pace like
so,
Â‘Cause all of them cry out now is that weÂ’re gonna
blow
Chorus
WeÂ’re gonna blow (blow)
WeÂ’re gonna blow
WeÂ’re gonna blow, blow, blow, blow, blow, blow
WeÂ’re gonna blow
Check out the flow (flow)
So dope you know
WeÂ’re gonna blow, blow, blow, blow, blow, blow
WeÂ’re gonna blow
Yo, weÂ’re gonna blow weÂ’re gonna blow
Eminemmylou and Buzz you know the stars of the show
WeÂ’re gonna blow weÂ’re gonna blow
From UK to US we make you bounce upon your toe
WeÂ’re gonna blow weÂ’re gonna blow
WeÂ’re gonna blow so here we go
We bounce up in the place weÂ’re bouncing like a pogo
Many, many styles so many, many types of flow
Caught up with Eminemmylou she said weÂ’re gonna
blow,
So all I thought right then was when and where we
gonna go
The time is right, we got the vibe just like the state side
Enjoy the ride from north to south, to east or west side
From Brighton up to London up to Leeds, Bristol and
Leicester
Liverpool, Nottingham, Stoke and Manchester
Anywhere we go and we say anywhere we roll
We take it back to basics when weÂ’re rocking up a
show
They crash out go where we kick flow, cause we kick
push
like fiasco,
Well donÂ’t you know, itÂ’s just that flow, weÂ’re just
about to blow
Repeat chorus

So weâ're massive in our hometown OK weâ're
medium
Buzzâ's got a bit of a buzz and some parts of the
media are
greedy for him,
And thereâ's a phatwah out on me, thatâ's spelt with a
PH, not
with an FAT
But they say Iâ'm that too and funny looking but I
donâ't give
a hoot
â'Cause I curl my lip, Buzz lets rip, we shoot from the
hip, toot
toot toot,
We shoot our mouth off but in a nice way you know
â'Cause we ainâ't stressed like the other rappers
We know weâ're gonna blow
Say What, thatâ's Buzzâ's greatest hit and mineâ's,
The Way I Am
So what we didnâ't write the originals, I bet Mathers
and
Weller donâ't give a damn,
Hell weâ'll make â'em richer than they ever dreamed
possible
Their old royalties will seem like peanuts and their fans
like
fossils too,
Not all of â'em of course, just the haters that are a bit
slow,
â'Cause our friends are fresh as foey, they know
weâ're
gonna blow.
Repeat chorus
Eminemmylou and Buzz come down to rock up da
place,
Rockabilly dance hall style and put a smile on your face
And we rock up all over the world and set the pace like
so,
â'Cause all of â'em cry out now is that weâ're gonna
blow.
Eminemmylou and Buzz come down to rock up da
place,
Rockabilly dance hall style and put a smile on your face
And we rock up all over the world and set the pace like
so,
â'Cause all of â'em cry out now is that weâ're gonna
blow.
Weâ're gonna blow, weâ're gonna blow
Weâ're gonna blow, weâ're gonna blow
Weâ're gonna blow, weâ're gonna blow
Eminemmylou and Buzz yo, here we go.
