I love you  
What are you going to do about it  
I love you  
There I've said it  
I love you  
Ain't nothing you can do about it  
I love you  
Not going to change my mind  
I love you  
You can still my mouth but I will still  
Love you  
I love you  
I love you

I love you  
I think you love me too  
I love you  
Do you love me too?  
I love you  
When are you going to love me too?

I love you  
How about tonight?  
I love you  
We can still go out before sex cause I  
Love you  
I love you  
I love you

I love you  
PS: Man  
I love you  
I just called to say  
I love you  
Ain't infatuation, no  
I love you  
Maybe it ain't serious, but  
I love you  
How do I know?  
I love you  
I love you  
I love you
