I'm not being nasty here but have  
you heard  
I'm not being nasty now don't you say a word  
I'm not being nasty 'bout the girl  
next door  
I'm not being nasty when I say she's a hmmmmmm  
I'm not being nasty 'bout Eminemmylou  
But she strikes me she's big-headed too  
I'm not being nasty all the men that she sees  
What can you expect from her  
pedigrees  
I'm not being nasty but when you know

and all  
I'm not being nasty here you should hear  
the things she said

I'm not being nasty but she's been  
sacked from her job  
What can you expect when her  
father's in the mob  
I'm not being nasty here but you're  
a fuckin' liar  
I'm not being nasty here but you're  
a fuckin' liar  
I'm not being nasty here but you're  
a fuckin' liar  
I'm not being nasty here but you're  
a fuckin' liar  
Do I care what you really think?  
You're a critic you think everybody stinks  
You say mean things and you wrap em up nice  
Expect us to listen and to pass it on twice  
We all say  
So What (bout what you say)  
So What (you're ½
