Â'Cause IÂ'm a woman phenomenally
Phenomenal woman, thatÂ's me
Â'Cause IÂ'm a woman phenomenally
Phenomenal woman, thatÂ's me
IÂ'm gonna tell you what its like to be a woman in today
When you havenÂ't got five minutes to just down your
tools
and play
And you havenÂ't got the time to write your great raps
today
Cause youÂ're fixinÂ' lots of crap, everyoneÂ's in your
face
So you spit out lots of rhymes, rhyming today and um
today
And you know thatÂ's not the best, you know youÂ're
cleverest
But you donÂ't give a fig no more Â'cause they all take
the p*ss
So the choice is slogginÂ' on or get the hell out of this
So IÂ'm chuggin and IÂ'm plodding at two hundred
miles an
hour
Rappin in New York American, who really gives a damn
Â'Cause the critics and the prudes tell you how you
gotta do
But theyÂ're the dudes who just stay home got sweet
nothinÂ'
to do
And no IÂ'm not sayinÂ' IÂ'm too busy or IÂ'm busier
than you
IÂ'm sayinÂ' I really, really, really am well busier than
you
Â'Cause IÂ'm a woman phenomenally
Phenomenal woman, thatÂ's me
Â'Cause IÂ'm a woman phenomenally
Phenomenal woman, thatÂ's me
IÂ'm not a phenomenal woman in the words of the
great
Maya Angelou
IÂ'm a phenomenal rapper thatÂ's what I wanna do
DonÂ't care about the swing of my hips or the curve of
my lips

I care about the rage in my voice and the gleam on my
gold
tooth
Yeah Iâ€™m ruthless, uncouthless but Iâ€™m not gummy
and
toothless
Iâ€™m a plumber and a lawyer and a banker, run a
multinational
drive a tanker
I clean houses, raise babies but Iâ€™m not sayin all guys
are lazies
So my home girls say is there a difference between the
boys
and the ladeez?
Well I donâ€™t know â€™bout that, weâ€™re just gringos all
the
samesies
Yeah I love guys too and I donâ€™t wanna have a go
But I like the guys who walk fast and talk fast and make
you
come slow
The ones who build houses, wear trousers and know
how to
drive slow
So the monster Iâ€™ve created, the sweet Eminemmylou
Says men are phenomenal just like me and you, yeah
â€™Cause Iâ€™m a woman phenomenally
Phenomenal woman, thatâ€™s me
â€™Cause Iâ€™m a woman phenomenally
Phenomenal woman, thatâ€™s me
