No greater love Romeo and Juliet
But Shakespeare died and years passed by
Juliet knows everything about Romeo
Except why he tells her no at night

You know that beggars should not be choosers
Romeo's job has no social term
Jerking off is made for the losers
Instead of wit he sells his sperm

And every day just a same
Romeo's shame in black suitcase
and every day...

Romeo is a poor refugee
he's just another one to bite the dust
Juliet measures time by diamonds on her watch
They come together by the force of lust

And every day just a same
Romeo's shame in black suitcase

And every day...

I'am not Romeo
Maybe you are Juliet
but I 'm not Romeo

Why do you wake up in sweat dear Romeo
Why does you face turn away from me
What is the pain that you are going through
What is the secret that I cannot see

Oh I was dreaming I jumped by parashout
And I went down down since my birth
But at the moment I was ready for landing
Oh my God I missed planet Earth

And every day just a same
Romeo's shame in black suitcase
and every day...

I'am not Romeo
Maybe you are Juliet but
I'am not Romeo
