Hallo my tv hallo my baby  
Hallo my brand new world  
This is my coffie this is my CV  
I wanna be a part of you

Your face is nice  
With human rights  
And movie stars in tears  
But the only brand  
I cannot stand is the music  
That I hear

Hey mister D.J.  
Stop this music play  
Stop this earthquacke  
Giva us comertial brake

I respect  
It's a fact  
Digital sex  
And virtual dance  
Ground troops  
Fast food  
Smart bombs by  
Remote control  
BBC and fashion tv  
Sex and the city  
Very witty  
But I will stop in my own way

Stop this music play

Bang bang o yeah  
Who killed D.J.  
Who is on the run  
With machinegun

I have dot com children  
And dot com wife  
Living my dot com life  
But will I trust in braking news  
When I'am sixty five

I have no doubts and no request  
I have no pain no fear  
But the only brand  
I cannot stand  
Is the music that I hear

Hey mister D.J.  
Stop this music play  
Stop this earthquake  
Giva us comertial brake

Bang bang o yeah  
Who killed D.J.  
Who is on the run  
With machinegun
