Accept the Lamb of the Living God  
Accept the Lamb of the Living God  
Accept I AM He's the Living God  
Accept I AM He's the Living God  
Run in the night, can you feel your body's growing  
weaker  
On the fright, expecting anytime a roaming creature  
All of your days, are measured by the way you serve  
your master  
Lives in a maze, loving all the time your own disaster  
Falling asleep, empty  
Screams from the street, "Not me!"  
Pulling away, from the bloody hands that try to hold  
you  
Calls from the grave, you try to yell out but you're too  
afraid  
Barely escaped, ensnared  
Still he waits, no one cares!  
Except the Lamb of the Living God  
Accept the Lamb of the Living God  
Accept I AM He's the Living God  
Accept I AM He's the Living God  
Wasting away, as your dirty hand clinches the gutter  
Lying in pain, as your needy words fall out in whispers  
Always afraid, never letting up let no one enter  
Never to say, "I've weaved this we, I'm lost forever!"  
Falling asleep, empty  
Screams from the street, "Not me!"  
Accept the Lamb of the Living God  
Accept the Lamb of the Living God  
Accept I AM He's the Living God  
Accept I AM He's the Living God  
Against the wall, as the hands of light reach out to hold  
you  
Heed the call, on bended knees resist the fall  
Falling asleep, in His arms  
Screams from the street...all are gone  
Accept the Lamb of the Living God  
Accept the Lamb of the Living God  
Accept I AM He's the Living God  
Accept I AM He's the Living God
