I want to play with you tonight  
Hold me, that's all that's on my mind  
Baby, something feel so right  
Maybe we could play tonight

I want to be somewhere with you  
I want to do just what you want to do  
I want to be all over you  
I got a dream and you can make it true cause...

I, I'm fascinated by your love, boy  
I'm fascinated by your love toy  
I'm fascinated by the way you make me feel  
But I'm fascinated by your love, boy  
I'm fascinated by your love toy

And I'm fascinated by the way you make me feel

Love me until the morning light  
Please me, make me feel alright, uh uh  
Kiss me, let me make you mine  
I'm loving, loving you so tight

Come on come on, I want to be with you  
Come on come on, I won't get over you  
I want to do just what you want me to  
I got a dream and you can make it true cause...
