Winter's cityside
Crystal bits of snowflakes all around my head and in
the wind
I had no illusions
That I'd ever find a glimpse of summer's heatwaves in
your eyes
You did what you did to me, now it's history I see
Here's my comeback on the road again
Things will happen while they can
I will wait here for my man tonight, it's easy when your
big in Japan
When your big in Japan, tonight
Big in Japan, be tight, big in Japan where the eastern
sea's so blue
Big in Japan, alright, pay, then I'll sleep by your side
Things are easy when you're big in Japan, when you're
big in Japan
Neon on my naked skin
Passing silhouettes of strange illuminated mannequins
Shall I stay here at the zoo
Or shall I go and change my point of view for other ugly
scenes
You did what you did to me, now it's history I see...
Things will happen while they can
I will wait here for my man tonight, it's easy when
you're big in Japan
