Look at me, tell me what you see?  
Does he please you and make you go weak at the  
knees?  
I don't know, how you know?  
But I guess it might show that my eyes are in paradise

Can it really be that you're here with me?  
Are you touching me now or is this pure fantasy?  
Are we in a dream? Then let us be  
No, don't wake us from this kind of bliss  
'Coz we never had love that feels like this

You're so amazing, you're so unbelievable  
You're so incredible to me  
You're so amazing, just so unbelievable to me  
And if I hold you I know I'll never, never, never let you  
go

Can you hear me now like I'm whispering  
In a voice dipped in honey that's making your heart  
want to see?  
Yes, I hear you now like a cooling breeze  
On that hot summer night that we met back in paradise

When I hear you sing, there's a tingling  
Like a million fingers caressing me over my skin  
Are we in a dream? Then let us be  
No, don't wake us from this kinda bliss  
'Coz we never had love that feels like this

You're so amazing, you're so unbelievable  
You're so incredible to me  
You're so amazing, just so unbelievable to me  
And if I hold you I know I'll never, never, never let you  
go

You're so amazing, you're so unbelievable  
You're so incredible to me  
You're so amazing, just so unbelievable to me  
And if I hold you I know I'll never, never, never let you  
go
