Ooh-ooh baby love, my baby love  
I need you, oh how I need you  
But all you do is treat me bad  
Break my heart and leave me sad  
Tell me, what did I do wrong  
To make you stay away so long

Cos baby love, my baby love  
Been missing ya, miss kissing ya  
Instead of breaking up  
Let's do some kissing and making up  
Don't throw our love away  
In my arms why don't you stay  
Need ya, need ya (baby love, baby love)  
Baby love, ooh-ooh, baby love

(Congratulations! Big kiss to William!)

Ooh, ooh, need to hold you  
Once again, my love  
Need your warm embrace, my love  
Don't throw our love away

Please don't leave me this way  
Not happy like I used to be  
Loneliness has got the best of me  
My love, my baby love

I need you, oh how I need you  
Why you do me like you do  
After I've been true to you  
Don't throw our love away  
Baby, baby, ooh, baby love
