When a guy sees a girl like you he's gotta take control
So I'm going for what I want and listen, being bold
I think that you should be someone that I can see and
well I just gotta say
Don't wanna press you, but will you come my way?

If i, tell you
All the things you make me feel
Will you show me that you can keep it real

I don't know if you want to but I do
Say here's my name and number I'll leave it up to you
I hope you call me cos I think you're kind of cute (yeah,
yeah, yeah)
You know that I don't know if you want to but i, but I do

It ain't easy for girls like me to find somebody cool
So I'm just gonna be upfront, forget about the rules
I think that you and me have a sudden chemistry,
there's one more thing I must
Say
I'd like to know you better starting from today

If i, tell you
All the things you make me feel
Will you show me - you know I'll keep it real

I don't know if you want to but I do (yeah, yeah, yeah,
yeah, yeah) (emma & jade)
Say here's my name and number I'll leave it up to you
(leave it up to you)
I hope you call me cos I think you're kind of cute (yeah,
yeah, yeah, yeah,
Yeah)
You know that I don't know if you want to but I (but I),
but I do (but I do)

I don't know if you want to but I do (yeah, yeah, yeah,
yeah, yeah) (emma &
Jade)
Say here's my name and number I'll leave it up to you

(leave it up to you)
I hope you call me cos I think you're kind of cute (think
you're kinda cute,
Yeah)
You know that I don't know (yeah) if you want to but i,
but I do

Yeah - hey
You know I'll keep it real (emma & jade)

I don't know if you want to but I do (I don't know, know
that)
Say here's my name and number I'll leave it up to you
(leave it up to you)
I hope you call me cos I think you're kind of cute (yeah,
yeah, yeah, yeah,
Yeah)
You know that I don't know if you want to but i, but I do
(said I don't know, oh)

I don't know if you want to but I do (do you wanna, I
said ah)
Say here's my name and number I'll leave it up to you
(said I'd like to, ooh
Yeah)
I hope you call me cos I think you're kind of cute (sha-
da-doo, sha-da-doo, oh,
Oh)
You know that I don't know if you want to but i, but I do
(said I don't know, oh)

I don't know if you want to but I do (I know i, oh-whoa I)
Say here's my name and number I'll leave it up to you
(leave it on up, said I)
I hope you call me cos I think you're kind of cute (think
you're kinda cute)
You know that I don't know if you want to but i, but I do
