"Merry Go Round"

Visit "[Merry Go Round](#)" on MotoLyrics.com

(b-side to "what took you so long? ")

Yeah-yeah, yeah-yeah
Yeah-yeah-yeah-yeah, yeah-yeah

Step right up and welcome to my show
Yeah-yeah, yeah-yeah
It's a dangerous ride you gotta let yourself go
Yeah-yeah, yeah-yeah-yeah
It's kinda like a rollercoaster wild and free
Yeah-yeah, yeah-yeah
But if you want security there's nothing really
guaranteed
Yeah-yeah, so come and play the game with me

Round and round and around we go (yeah-yeah-yeah)
Ain't no stoppin, you got the control
Hold on tight and don't you ever look down (yeah-yeah-
yeah)
Sometimes life is like a merry go round
Sometimes life is like a merry go round

Yeah-yeah, yeah-yeah

All the games we're gonna play now don't be rude
Yeah-yeah, yeah-yeah
I got some money in my pocket so you better be good
Yeah-yeah, yeah-yeah
You don't need a ticket 'cause the ride is free
Yeah-yeah, yeah-yeah
Don't you worry 'bout tomorrow you can make your own
reality
Yeah-yeah, so come and play the game with me

Round and round and around we go (yeah-yeah-yeah)
Ain't no stoppin, you got the control
Hold on tight and don't you ever look down (yeah-yeah-
yeah)
Sometimes life is like a merry go round
Sometimes life is like a merry go round

Round round round
It takes you up it takes you down (yeah-yeah-yeah)
Round round round
It sweeps your feet right off the ground (yeah-yeah-yeah)
Round round round
Ain't no way to stop it now (yeah-yeah-yeah)
Round round round
Cos life is like a merry go round (yeah-yeah-yeah)
Like a merry go round
Here we go!

Round and round and around we go (yeah-yeah-yeah)
Ain't no stoppin, you got the control (yeah-yeah-yeah)
(got the control)
Hold on tight and don't you ever look down (yeah-yeah-yeah)
Sometimes life is like a merry go round (yeah-yeah-yeah)
(merry go round)
Sometimes life is like a merry go round

Round round round (yeah-yeah, yeah-yeah)
(yeah-yeah-yeah)
Round round round
(yeah-yeah-yeah)
Round round round (yeah-yeah-yeah-yeah, yeah-yeah)
(yeah-yeah-yeah)
Round round round
(yeah-yeah-yeah)
Round and round and around we go (round round round)
Ain't no stoppin, you got the control (round round round) (yeah-yeah-yeah)
Hold on tight and don't you ever look down (round round round) (yeah-yeah-yeah)
Sometimes life is like a merry go round (round round round) (yeah-yeah-yeah)
Sometimes life is like a merry go round (round round round) (yeah-yeah-yeah)
