long story short but ive never felt this way before .i
think about him night and day .i feel like it will never go
away.i should shoudl just spit it out before i scream
and shout

chorus=

hes my forbidden love hes the only one i dream of hes
just a nother sad story left un written

bridge=

i will never let him go even though

i dont have ill never know why

he mean so much

the longing for his touch ive never been

this deep in love...

it started with a stupid note & i havent

heard the sound of my hope sincs than

mybe i just lost my nerve..

this is something i dont deserve

bridge=

why the hell do you have to be soo cpmlicated i hate

this ill never let this go

chorus=

hes my forbidden love hes the only one i

dream of ,hes just another sad story left
