Martina:

SMS with my best friend

Alla:

When I SMS to you

Martina:

This morning I was asleep

Woke up by a 'beep'

Got an SMS from my friend

Alexandra:

It really felt okay

I smiled and said good day

Didn't want that feeling to end

Alexandra och Martina:

Let you know what I'm up to

Please reply to me A-S-A-P

Oh oh oh oh oh

Alla, Refr ng:

SMS with my best friend

All the time there is no end

To all the stories I wanna share with you

Oh oh oh oh oh

SMS with my best friend

Send, reply, there is no end

You'll always know what I wanna do

When I SMS to you

Elin:

You know I can't deny that I'm just too shy

I don't dare to talk to you

Marilinn:

So much I wanna say and there's no other way

To get my message through

Elin och Marilinn:

You can't see that I'm smiling

You make my (?) baby that makes my day

Oh oh oh oh oh
