Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da

He's one of a kind and he's all mine
He's there for me come rain or shine a million times
Then one day suddenly he needed me
Would I be strong enough for two, when he is you

I know how to ease all your sorrow
So come here, rest your head on my pillow
It's alright, we don't need a tomorrow tonight

I know how to open the window to your soul
Close your eyes you can follow
It's alright, we don't need a tomorrow tonight

She wants him to see all he can be
'Cos all it takes is an open heart and honesty
Then one day suddenly he really believed
That he'd be strong enough for she, when she is me,
oh oh

I know how to ease all your sorrow
So come here, rest your head on my pillow
It's alright, we don't need a tomorrow tonight

I know how to open the window to your soul
Close your eyes you can follow
It's alright, we don't need a tomorrow tonight

Oh oh, we fly 'cos together we're stronger
When we can touch the sky
Don't need tomorrow tonight, tonight

Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da
Ba da ba ba bow, ba da da da

Oh oh I know how to ease all your sorrow
So come here, rest your head on my pillow
It's alright, we don't need a tomorrow tonight

I know how to open the window to your soul
Close your eyes you can follow
It's alright, we don't need a tomorrow tonight

'Cos it's alright, we don't need a tomorrow tonight
Don't need tomorrow tonight
Yeah don't need tomorrow tonight
Don't need tomorrow tonight
